

NWFLUG

Northwest Florida Linux User Group

What The **Northwest Florida Linux User Group** is for those interested in the GNU/Linux Operating System (O/S) and Free and Open Source Software (FOSS) (for both Linux, Mac, and Windows). The monthly meetings are an opportunity to meet others with similar interests and learn about various aspects of Linux and FOSS. Meetings are free and open to everyone, and there is no formal membership requirement. Note we also host an installation meeting once per month on the second Monday, by appointment only (contact Tom Browder or any other member). See the group's web site at <<https://nwflug.org>> for more details.

Where We normally (except for holidays) meet in Room 400 (on the second floor) of the Niceville campus of the Crosspoint United Methodist Church located at 214 Partin Drive South. See the web site for a location map and a downloadable campus map.

When The group meets on the first Monday (and second Monday for installations only) of every month. The meeting starts at 5:00 PM and ends by 7:00 PM.

Upcoming meetings
